- If this is a Certificate of Registration, it represents only the enrollment of the laboratory in the CLIA program and does not indicate a Federal certification of compliance with other CLIA requirements. The laboratory is permitted to begin testing upon receipt of this certificate, but is not determined to be in compliance until a survey is successfully completed.
- If this is a Certificate for Provider-Performed Microscopy Procedures, it certifies the laboratory to perform only those laboratory procedures that have been specified as provider-performed microscopy procedures and, if applicable, examinations or procedures that have been approved as waived tests by the Department of Health and Human Services.
- If this is a Certificate of Waiver, it certifies the laboratory to perform only examinations or procedures that have been approved as waived tests by the Department of Health and Human Services.

Dear Lab Director Thomas Watkins:

In response to your correspondence received 08/03/2023, we have made the following change(s) in the record of your laboratory with the CLIA program:

- Revised physical address

NOTE: CLIA certificates are not reissued for changes (name, address, director). The next certificate mailed will contain the updated information.

The records in this office indicate that the laboratory at the address below is currently certified under the Clinical Laboratory Improvement Amendments (CLIA) program and has been assigned the above identification number. Under this number this facility may perform laboratory tests which are subject to CLIA and for which it is currently certified.

Information in the CLIA data system indicates that this laboratory certification expires on 07/20/2025, and is for a Certificate of Waiver.

If we can be of any assistance, please do not hesitate to contact us using any of the methods above. When you do, please include your CLIA laboratory registration number on any correspondence with this office. It will expedite any reply.

Sincerely,

Brianna James
